NEEDLE FELTING TEDDY BEARS FOR BEGINNERS

From the authors of *Needle Felting for Beginners*, awarded BEST CRAFT BOOK in The Craft Business Awards 2021.

Needle-felting is an easy and fun technique, requiring little in the way of expensive materials or equipment. Its accessibility means it's becoming more and more popular, and award-winning authors Judy Balchin and Roz Dace show how to make 20 wonderful little teddy bears using this tactile technique.

Each project is accompanied by clear, step-by-step instructions and beautiful photographs, and there are handy hints and tips throughout the book to help make the crafting process even easier. The techniques are easy to learn and soon you will be designing and making bears of your own to keep or give.
