Work RP in return st, finishing the row with 1 ch. Break off the yarn and pull the end through the ch.

Change to a 5.5mm (US 9, UK 5) double-ended Tunisian crochet hook and 2 balls of yarn.

Work in rounds in stripes in moss st.

Place a marker at the left side of the back between the 2 raglan sts to mark the start of the round.

Inc on each side of the raglan sts from the top of the neck as follows:

Front and back: inc 1 st 26(29:30:34:35:39) times on each FP, 1 st 3(2:2:1:1:–) on every second FP on alt (87(91:93:99:103:109) sts not including raglan sts).

Sleeves: inc 1 st 18(17:16:16:17:19) times on each FP, 1 st 7(8:9:10:10:10) on every second FP on alt (67(67:69:71:75:81) sts not including raglan sts).

At the same time as the raglan increases, change colour as described in stripe pattern below.

When work measures $4\frac{1}{2}$ ($4\frac{1}{2}$: $4\frac{3}{4}$: $4\frac{3}{4}$: $4\frac{3}{4}$: $4\frac{3}{4}$)in / 11.5(11.5:12:12:12:12)cm from centre back neck, change to yarn B.

Then work stripes of the same width using yarn C, yarn D and yarn A again.

The sleeves end with yarn B.

When all the raglan increases have been worked, 316(324:332:348:364:388) sts (including raglan sts from here on) remain.

Divide the work for body and sleeves.

BODY

Complete the body first.

One of the 2 raglan sts belongs to the body at each side of the front and back. The other belongs to the sleeves.

There are 178(186:190:202:210:222) sts, including 1 raglan st on both side of the front and the back.

Make 2 ch rows to insert in each armhole on the body.

Take two lengths of about $15\frac{3}{4}$ in (40cm) of yarn in the same colour as the stripe you are working on.

Make 9(11:13:13:13:11) ch, break off the yarn and pull the end through the last st (8(10:12:12:12:10) ch).

Place a marker at the centre of one ch row to mark the start of the round.

Work 1 round, picking up sts in the back loops of the ch row in each armhole as follows:

Round 1: pick up 4(5:6:6:6:5) sts in the ch row, and continue across the front to the second armhole. Pick up 8(10:12:12:12:10) sts in the second ch row and work across the back to the first armhole. Pick up the last 4(5:6:6:6:5) sts from the ch row (194(206:214:226:234:242) sts).

RP of round 2: dec 1 st at each side (192(204:212:224:232:240) sts).

Then continue without shaping in moss st and stripes until work measures $21\frac{3}{4}$ ($21\frac{3}{4}$: $22\frac{1}{4}$: $22\frac{3}{4}$: $22\frac{1}{4}$: $22\frac{1}{4}$)in / 55(55.5:56.5:57.5:56.5:56.5)cm from centre back neck, or your desired length before ribbing.

Bind (cast) off with sl st, ending the round with 1 sl st in first st. Break off the yarn, and pull the end through the loop.

SLEEVES

Continue in stripes in moss st.

Begin the round at the centre of the ch row in the armhole. Place a marker at the start of the round.

Round 1: pick up 2 extra sts at each side where the ch row meets the body. Place a marker around the 2 extra sts plus the outermost st of the ch row at each side.

On the RP work these sts tog (77(79:83:85:89:93) sts).

Round 2: dec 1 st at centre of underarm (76(78:82:84:88:92) sts).

Continue without shaping in moss st and stripes until sleeve measures $17\frac{1}{4}$ ($17\frac{3}{4}$:18:18:18:17 $\frac{3}{4}$)in / 44(45:46:46:46:45)cm from the armhole.

Bind (cast) off with sl st, finishing with 1 sl st in first st.

Break off the yarn and pull the end through the loop.

Make the second sleeve in the same way.

Insert the hook under the ch sp, yo and pull the yo through (9 sts on the hook).

N.B.: work the end st on the left side of the flower petal in 2 sts, (see Techniques, End stitch at left edge in 2 vertical bars, page 138).

RP 2: work the sts of the ch sp together with 1 st from the hook (dec 1 st), work the rest of the sts in return st. Work all RP in the same way as RP 1, but there will be 1 st fewer in each row.

Work all FP as for FP 1; you will pick up 1 st fewer in each of the following rows (see chart 1).

When you have worked the last sc of the petal, work 1 sc around the next ch sp (1 sc in next petal).

Make the following five petals in the same way as the first.

When you have worked the last petal, finish the round with 1 sl st in the first sc of the first petal.
