Merry Christmas Sweaters

SUE STRATFORD

Best-selling knitting author Sue Stratford has designed twelve fantastic Christmas sweaters - six for adults and six for children - in this fun and festive book.

These fun, novelty designs appeal to the current trend for holiday sweaters such as a jolly Santa Claus, snowman and a tasty Christmas pudding, as well as traditional winter classics such as festive forest trees and a traditional Nordic Fair-Isle design that will stand the test of time. Each motif is accompanied by large, easy-to-follow charts printed on 24 fold-out sheets in the centre of the book.

Little Bears to Knit & Crochet

VAL PIERCE

Small in size but big in character, the teddy bear gets a craft makeover with these 40 unique patterns to knit & crochet. Using material from two books in the *Twenty to Make* series, this guide provides two basic bear patterns and 40 different outfits. From a hiking bear, complete with boots and a backpack, to a beach-loving bikini bear, and even an artist bear with her own crocheted easel and paint palette. Every bear has its own special character and can be personalised to suit any occasion.

30-Minute Crochet

What Can You Crochet in Half an Hour or Less

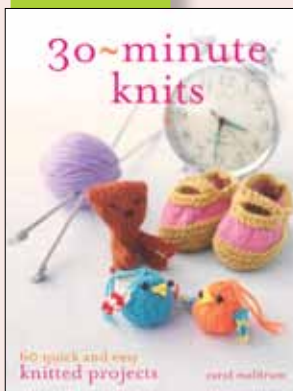

CAROL MELDRUM

Why not get creative with a spot of crochet that you can easily fit into your spare time? If you think you are too busy to whip up a project or two then think again! Crochet is quick, easy and extremely portable. You can easily stash your project in your bag and have it at hand for when those crafty moments strike, no matter where you are. We've all got bits and bobs of yarn left over from other projects, so put them to good use and dip into the selection of mini crochet projects designed to let you see results fast.

The Magic of Shetland Lace Knitting

Stitches, Techniques and Projects for Lighter-Than-Air Shawls and More

ELIZABETH LOVICK

The beauty and intricacy of Shetland lace might at first seem beyond the powers of the everyday knitter, but the skills needed are within the reach of everyone who can knit and purl. This book is designed to take the novice knitter step-by-step from their first "yarn over" to complex every-row lace knitting.

Organised by stitch and row count, the techniques are introduced with clear step-by-step instructions, charts, and detailed photographs of knitted samples.

Domino-Knitted Shawls

P. E. NIKOLAJSEN

Domino knitting is a very fascinating technique. However, it is quite simple and normally you only have to work with a few stitches at a time. It enables you to work with special graphical patterns, and the results are both attractive and exciting. The designs range from easy to quite complex, so suitable for knitters of all skill levels.

Artful Color, Mindful Knits

The Definitive Guide to Working with Hand-Dyed Yarn

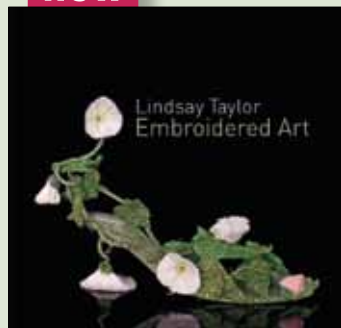

LAURA MILITZER BRYANT

Hand dyers build a colour repeat into each skein of yarn. When the repeat stacks as the yarn is worked into fabric, patterning happens. But if that patterning is just an occasional

accident, it is often not attractive. This book turns those accidents into consistent, repeatable, understandable results. Laura Bryant shows how to find and maintain patterning in over 40 designs from simple scarves to more complex garments.

Embroidered Art

LINDSAY TAYLOR

Inspired by her love of nature, Lindsay Taylor moulds, sculpts, weaves and entwines hand-dyed natural fabrics into three-dimensional works of art. Employing a variety of techniques, including free-machine embroidery, hand embroidery, painting, dyeing, quilting, felting, beading, wirework and applique, she recreates items such as bags, shoes, gowns, hats, even cups and lampshades in organic form, reflecting the intricacy and exquisite beauty of the natural world and instilling them with a dreamlike quality.

The emphasis of this book is placed firmly on showcasing Lindsay's unique style of embroidered art, with an extensive gallery taking up three-quarters

of the book and containing beautiful photographs and intriguing close-ups of her work. The introductory section provides an insight into her life journey - the evolution of her unique style of work, her inspiration, and the methods and materials she uses.

Stumpwork Flowers

SACHIKO MORIMOTO

This book offers a modern perspective on the floral motifs that have been a stumpwork mainstay for centuries.

It features 19 floral motifs and eight projects, the simplistic design of which showcase the artistry involved in the craft.

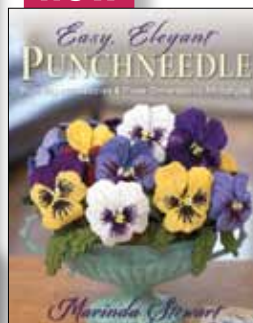

The well-developed introductory section provides readers with step-by-step photos and illustrations of all the techniques used in the book, making it suitable for embroiderers of all abilities.

This book will encourage readers to take up stumpwork and the fresh, contemporary designs will draw readers in, while the easy-to-follow instructions and small projects will show readers just how accessible this craft really is.

The Art of Embroidered Butterflies

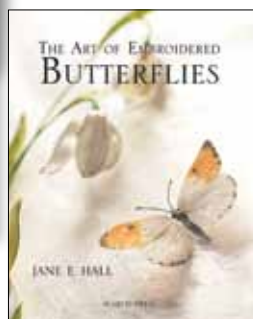

JANE E. HALL

In this gorgeous book Jane E. Hall combines her love of butterflies with her outstanding talent as a textile artist to produce three-dimensional renditions of exquisitely worked butterflies that are almost indistinguishable from the real thing.

Using the finest of silk threads and needles, Jane lovingly creates her butterflies' wings using the tiniest of stitches worked on to silk.

One of the most striking features of this book is the amazing photography. This, together with Jane's inspiring text, make this a book that anyone who is an artist, embroiderer, textile artist or simply a lover of beautiful books - will want to own.

A-Z of Silk Ribbon Flowers

ANN COX

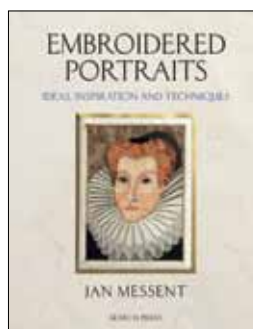

From Aquilegia to Zantedeschia, Ann Cox's accomplished renditions of flowers using silk ribbon embroidery are showcased in this exquisite book.

It begins with a comprehensive techniques section that includes all the basics; handling and working with ribbon; transferring a design; stitching and gathering techniques; and painting ribbons and backgrounds.

The main body of the book then describes clearly how to create thirty-two different flowers, including leaves, stems and buds, using detailed step-by-step instructions and

stunning close-up photography. Each design has a template, and diagrams and ideas for variations on the main design. A fantastic, inspirational book for flower lovers and silk ribbon embroiderers alike.

Embroidered Portraits

Ideas, Inspiration and Techniques

JAN MESSENT

With a different and delightfully practical approach to a traditional, time-honoured subject, Jan shows how to create a wonderful selection of portraits using raised embroidery, applique and decorative hand stitches.

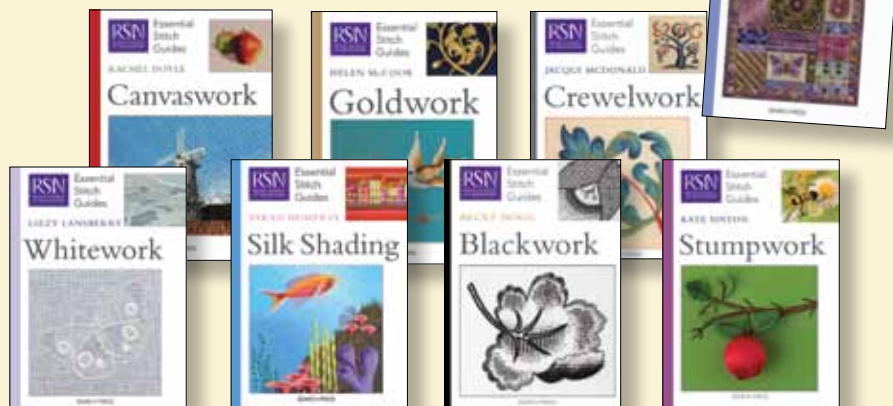

Simple instructions for shaping different-angled heads, creating faces, adding features and stitching the hair are just the start. Jan goes on to show different hairstyles and wigs: straight, wavy, curly, free flowing and unkempt. Scale is important and there are full instructions on which threads and stitches to use.

Making Fantasy Cloth Dolls

JAN HORROX

Jan's new book focuses on her exquisite fantasy dolls, including beautiful fairies, amazing mermaids, an enigmatic witch and a steampunk doll with attitude. These dolls are full of character and are easy to achieve with the help of this practical book.

Step-by-step instructions are provided for all the basic techniques, including how to make the bodies, heads, arms, legs, hands and feet; how to make the hair; and how to needlesculpt and paint the exquisite faces to really bring your character to life.

Introduction to Making Cloth Dolls

JAN HORROX

This is a highly practical guide to cloth doll making. Jan's beautiful dolls are exquisitely made, yet by breaking the process down into easy-to-follow steps, they become surprisingly easy to achieve. Full of character and life, the dolls are made using a wide range of colourful fabric and trims.

Handbook of Plant Forms for Botanical Artists

ERNEST E. CLARK & MARGARET STEVENS

A classic text from the turn of the 20th century has been heavily revised and expanded by the former president of the Society of Botanical Artists to produce an absolutely stunning handbook of a range of plants.

Each plant is illustrated with detailed botanical drawings and a painting. It provides a fantastic reference for anyone wishing to produce accurate botanical drawing and also in bringing a freshness to their painting. Over 60 of our favourite flowers and plants are covered, plus a special section on leaf forms. An absolutely beautiful book that is a wonderful handbook for all botanical painters who need extra reference material.

Hardback • 224 pages • 255 x 180mm • 150 colour illustrations • Batsford • **BA726 • £25.00**

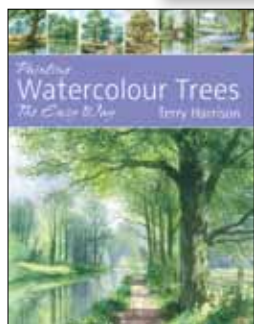

A-Z of Botanical Flowers in Watercolour

MICHAEL LAKIN

Known for his wonderful botanical paintings and his passion for the subject, Michael is a keen gardener, and an experienced and enthusiastic tutor whose teaching methods follow a simple step-by-step, six stage technique.

In this book he illustrates what materials to use, and how to paint twenty-six botanically accurate flowers. Sketching is an important part of the process and artists are shown how to develop accomplished pictures from initial beginnings and observations right through to the drawing and final painting stages. A whole alphabet of flowers is accompanied by sketches, small studies, handy tips and details, with clear descriptions of the colours and techniques used. Beginners will find this book suitable for their skill levels, and those artists with more experience will find much to inspire them.

Hardback • 144 pages • 292 x 216mm
150 colour photographs • Search Press
P5628 • £19.99

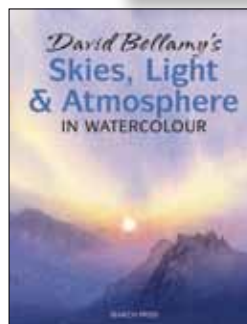

Painting Watercolour Trees The Easy Way

TERRY HARRISON

Following on from his successful book *Watercolour Trees*, Terry presents a new edition of this award-winning title, and includes a great selection of clear, detailed step-by-step demonstrations along with extra tips to show how to paint beautiful trees quickly and easily. He teaches how to paint an impression of trees, rather than showing how to reproduce each leaf, and illustrates the importance of understanding shapes, perspective, light and shade.

This is a book for all landscape artists whatever their skill levels.

Paperback • 128 pages • 280 x 216mm
325 colour photographs • Search Press
P7790 • £12.99

David Bellamy's Skies, Light & Atmosphere in Watercolour

In this second book in a series covering elements of the landscape, renowned watercolourist, David Bellamy shows how to paint skies, light and atmosphere and how choices involving these three key elements can affect a painting.

David Bellamy's extensive travels and much admired painting style ensure that there are plenty of beautiful, inspiring paintings of skies, light and atmosphere throughout the book.

Paperback • 80 pages • 280 x 216mm
