Your Skirt, Your Way

Draft your block, choose your shape, customize your own design!
JENNIFER TAYLOR

This brilliantly simple book teaches you exactly how to design and create your own gorgeous, unique skirts, with no need for shop-bought patterns. Start by creating your own block and toile using just four body measurements. Then select your skirt shape, add the fittings, fastenings and details you want, and put the whole thing together with ease.

- You create your own unique 'block', so there is no need for shop-bought patterns.
- All the techniques you need are shown step by step, and can then be mixed and matched to create your own designs.
- The book contains a 'recipe' section at the back, which gives you 10 inspirational design options as a starting point.

Lace Reimagined

30 inspiring projects for making and using lace creatively
ELIZABETH HEALEY

This original and exciting guide to lace is a visual feast of 30 inspiring step-by-step projects. It includes in-depth features and fascinating asides relating to the history of lace and it will encourage you to experiment and inspire you with handy tips. The projects use bobbin lace, needle lace, needle weaving and drawn-thread work, all of which are clearly illustrated for beginners. Some projects feature techniques such as using concrete and papier-mâché; some feature ready-made lace, either entirely, or as something that can be added to.

- A practical exploration of lace and how to use it
- Packed full of inspiring projects with clearly illustrated lace-making techniques ideal for beginners
- A unique book on a trendy subject, for textile artists, fashion designers and embroiderers.

Punch Needle Embroidery for Beginners

LUCY DAVIDSON

Punch needle embroidery is back! It's a simple technique inspired by rug hooking that involves nothing more than a punch needle – it's like a normal sewing needle, but with a handle and the eye of the needle at the stabbing end! It can be used on any loose-weave fabric using either yarn, fabric strips or embroidery thread/floss, and creates a textured, raised finish that's soft to the touch and beautiful to look at.

- A popular, traditional craft brought right up to date with stunning designs
- Only a small selection of yarns are needed to make all the projects
- 12 projects ordered from simple to more complex, steadily incorporating different punch needle techniques and finishes
- Ideal for absolute beginners as well as experienced crafters looking for new ideas
- Pattern sheet with full-size templates for all the projects are included.
