The Eco-Christmas Craft Book

30 stylish festive projects that won't hurt the planet

MARRIANNE MIALL

If you love Christmas, you'll love this book! It's the perfect antidote to the traditional tinsels and glitters that shed harmful microplastics, polluting our oceans and waterways.

- A specially designed collection of 30 Christmas decorations that are eco-friendly, stylish and fun to make
- Reinforces the global trend for leading a 'green' life and stresses the importance of sustainability
- All the projects are easy to make using recycled everyday items and foraged materials, and do not require expensive tools or materials
- Encourages readers to create Christmas craft projects of a high standard that look as beautiful as shop-bought items and use existing, recycled and sustainable materials.
