

# Templates

All templates are provided at full size, except where noted.

## Small animal templates

These small animal templates are ideal for using to create masks or stencils for gel-plate printing. They are used within or as focal points in the following pieces, if you want further inspiration: *Ghost Hare* on page 63; *Grey Running Hare* and *Hare Brooch* on page 70; *Shadow* on page 75; and the hare sampler on

*Fox on  
fabric  
page 76.*

## Sausage Dog template

This template is used for the project on pages 94–101.

Hare layer 1  
template

### Patchwork Hare template

These templates can be used to create the piece on page 69.

The Patchwork Hare templates are reproduced at half of the actual size. You will need to enlarge them by 200 per cent on your scanner or photocopier for the correct size.

Hare layer 2  
template

Hare legs  
template

Face layer 1 template

## Midnight Fox templates

*These templates are used for the project on pages 104–109.*

Face layer 3 template

Face layer 2 template

## Midnight Fox templates (cont.)

## Acrobat Mouse templates

These templates are used for the project on pages 112–117.
