

POSY CONE

This simple cone is a perfect place to display a bunch of dried flowers, store wedding confetti or use as storage for bobbins and threads when you're not celebrating. Hessian/burlap is a wonderfully earthy, organic-looking fabric that lends itself to a little ribbon and lace.

Finished size

5½ x 7½in (14 x 19cm)

What you need

- 10 x 9in (25.5 x 23cm) of hessian/burlap
- 10 x 9in (25.5 x 23cm) of natural cotton lining fabric
- 18in (45.75cm) length of ½in (1cm) wide ribbon
- 18in (45.75cm) length of ½in (1cm) wide lace
- Button
- Posy template (see page 176)
- Optional: tweezers

Tip

Why not enlarge the cone template to make a display of different-sized posies!

1 Measure 3in (7.5cm) from the top of your hessian/burlap and gently pull out, one strand at a time, eight strands of thread (tweezers may help here). Thread the lace onto a large-eyed needle and weave through the hessian/burlap, going over and under four strands at a time.
