the hat by threading a needle with a length of yarn G and make backstitches on the head, making short loops around the sides of the face. Cut the loops open and separate the strands. Sew the bottom edge and sides of the pocket onto the front of the apron. Attach a short length of yarn to the top of the apron and loop around the neck, then add short lengths of yarn to each side of the apron middle and tie in a bow around the waist. Secure the apron in place with a few small stitches at each side.
