

CROCHET TECHNIQUES

ADJUSTABLE RING

1. Hold the end of the yarn and wrap the working yarn round two fingers to form a ring.
2. Insert the crochet hook into the ring.
3. Pick up the yarn. You now have one loop on the hook.
4. Make one chain by wrapping the yarn around the hook and pulling it through the loop.
5. Insert the hook into the ring and pick up the yarn. You now have two loops on the hook.
6. Wrap the yarn round the hook and pull it through both the loops on the hook. You now have one double crochet. Repeat from step 5 until you have the desired number of stitches.
7. Pull the loose end of the yarn to tighten the ring and close up the centre hole (see the illustrations below).

MAKING A CHAIN (ch)

1. Start by making a slip knot on your crochet hook.
2. Yarn over and pull it through the loop. That is the first chain.
3. Continue wrapping the yarn around the hook and pulling the working yarn through the loop until you have the number of chain stitches indicated in the pattern.

SLIP STITCH (sl st)

1. Insert the hook into the next stitch.
2. Yarn over and pull it through the stitch and the loop on the hook. This completes one slip stitch.

DOUBLE CROCHET (dc)

1. Insert the hook into the next stitch.
2. Yarn over and pull it through the stitch. You now have two loops on the hook.
3. Yarn over again and pull it through the two loops on the hook. This completes one double crochet stitch.

TREBLE CROCHET (tr)

1. Wrap the yarn around the hook, insert the hook into the next stitch, yarn over and pull the yarn through the stitch. You now have three loops on the hook.
2. Yarn over again and pull it through the first two loops on the hook. You have two loops left on the hook.
3. Yarn over again and pull it through the two loops on the hook. This completes one treble crochet stitch.

DOUBLE TREBLE CROCHET (dtr)

1. Wrap the yarn over twice, then insert the hook into the next stitch, yarn over and pull the yarn through the stitch. You now have four loops on the hook.
2. Yarn over and pull the yarn through the first two loops on the hook. You now have three loops on the hook.
3. Yarn over and pull the yarn through the first two loops on the hook.
4. Yarn over and pull the yarn through the last two loops on the hook.

Adjustable ring

HALF TREBLE CROCHET (htr)

1. Wrap the yarn around the hook, insert the hook into the next stitch yarn over and pull the yarn through the stitch. You now have three loops on the hook.
2. Yarn over again and pull it through all three loops on the hook. This completes one half treble crochet stitch.

EXTENDED DOUBLE CROCHET (edc)

This stitch is a deeper/longer variation of dc.

1. Wrap the yarn over the hook, then insert the hook into the next stitch and pull up a loop, so there are three loops on your hook.
3. Yarn over and pull through only one loop.
4. Yarn over and pull through two loops. You have two loops left on your hook.
5. Yarn over, and pull through the last two loops.

CHANGING COLOURS

1. Insert the hook into the next stitch.
2. Wrap the working yarn around the hook and pull it through the loop. There are now two loops on the hook.
3. Wrap the new yarn around the hook and pull it through the two loops on the hook.
4. Continue working with the new colour.

POPCORN STITCH (pc)

1 popcorn = 4 incomplete treble stitches in the same stitch.

1. Work one treble crochet, but stop before pulling the yarn through the last time. There are now two loops on the hook. Continue with three more incomplete trebles until you have five loops on the hook.
2. Yarn over and pull through all the loops, finishing with one chain.

DECREASING

This is done by double crocheting two stitches together (dc2tog).

1. Insert the hook into the next stitch, yarn over and pull the yarn through the stitch.
2. Insert the hook into the next stitch, yarn over and pull the yarn through this stitch. You now have three loops on the hook.
3. Yarn over and pull the yarn through all three loops on the hook. You have worked a double crochet two together and decreased by one stitch.
