201 Crochet Motifs, Blocks, Projects & Ideas

by Melody Griffiths

Here are 150 original crochet blocks and motifs plus 51 gorgeous projects to inspire your creativity. Packed with ideas to get you going, this clever directory begins with a five chapters of motifs and blocks, from the simplest crosses and spirals to geometric shapes, pictures, lacy patterns and bold, beautiful flowers. Use them to make up your own bags, throws, scarves and cushions, designed just as you choose, or follow one of Melody's fail-safe projects - included are a butterfly brooch, holly greetings cards, an openwork afghan, cat cushion, button baby blanket, tie belt, cherry border cardigan, so there's something for everyone to make and give. Each motif is displayed as a colour photograph next to easy-to-follow instructions, with stitch diagrams for more complex motifs. The instructions are also written out in full so you can choose the way you prefer to work. Melody also advises on the type of yarn to use, the tension and the size of the motif, and gives tips on how to achieve the best result. There are also sketches and photos showing how the motif can be used, either on its own, with several together or partnered with other motifs. Once you start, you will realize that the possibilities are endless.

Crochet is fast becoming a hip new hobby as traditional crafts continue to rise in popularity. Packed with 150 motifs, 20 projects and 31 variations. An essential reference for every crocheter.
