The world's finest art and craft books

Tangle Bay

by Jessica Palmer

Illustrator and papercutter, Jessica Palmer, has created 75 pages of enchanting hand-drawn pictures for you to colour and lose yourself in. The images all have a magical maritime theme, and each one includes a hidden treasure intricately worked into the design for readers to discover and colour in. The book will include designs that fit on a single page as well as those that extend across a double-page spread. Some of the designs fill the entire page and others sit within it. Others have space left for the reader to extend the design themselves. High quality paper means that there is no show-through.
