

## Think Outside the Sox

by Elaine Rowley

Showcasing more than 50 winning designs from the publisher's international knitting contest, this collection of innovative, fine socks features patterns from around the world which include color work, cables, lace, Latvian braids, and toe-up and top-down designs. Complete with thorough instructions for socks that range from fashionable to traditional, this guide is not only inspirational but also a comprehensive survey of contemporary trends in sock knitting. Extensive charts and diagrams, illustrated explanations, and detailed photographs all round out this how-to for everything socks.

In 2008, Knitter's Magazine launched the largest sock contest, creating an event that combined interaction between knitters, crocheters, yarn companies, Knitter's Magazine (where the contest was announced and covered), and STITCHES (where finalists were featured).
